**IMPORTANT NOTICE FROM
FAIRSTONE FINANCIAL INC.
CONCERNING YOUR PENDING INSURANCE CLAIM**

You recently applied for credit disability or credit job loss benefits from one of our insurance providers. We wanted to take a moment to make sure you understand the process and are aware of the steps you need to take to ensure you receive your maximum benefit if your claim is approved.

Continue to Make Payments

Until your claim for credit insurance benefits has been reviewed and approved, you are responsible for making your monthly payments. Please do not fall behind on your loan payments while your insurance claim is pending. You will be notified by the Insurance Company as soon as a decision is made.

Our Commitment

The Insurance Company is committed to processing your claim as quickly as possible. It is important that you file your claim forms and all required documentation in a timely fashion because if the insurance company has to gather the missing necessary information, it could add to the time it takes to process the claim.

If your claim is approved, the Insurance Company will begin making the payments on your behalf effective from the date of your eligibility. This ensures you do not miss out on any insurance benefits while your claim is being processed. Payments will continue to be made for as long as you submit the required claim forms and documentation in a timely manner and qualify for benefits.

Loan Term and Benefits

If you have made one or more loan payments that were also covered by the Insurance Company, you may request a refund of those payments from Fairstone Financial Inc..

If you do not request a refund, any covered payments that you have made will be applied as advance payments on your loan and could result in the loan being paid off before the end of your loan term and/or before you have received all of your potential insurance benefits.

If you have any questions or would like to request a refund, we're here to help. Please reach out to your local Fairstone Financial Inc. branch.

Thank you.
